Hi Sharyn,
Looking forward to our meeting next week to discuss the cleaning contract.

As I understand it, we have a number of issues involving the general cleaning of the BID, removing graffiti and stickers from buildings, tree trimming, medians and their maintenance issues, power washing, etc. This will be an in-depth discussion of all aspects of the clean contract starting from the current schedule to what you recommend for the future. Please bring a detailed plan with costs attached so that we can talk about each aspect separately. We anticipate a request for more funds for services so it would be helpful to have it broken down. Please provide some photos or let us know what should be documented so that we can see what we need to think about.

My wish list involves tree trimming on Santa Monica Blvd. as well as the rest of the BID and trash can refurbishment and/or replacement as well as all of the above.

If you could to give us a general outline of the points that you would like to make in regards to all this, it might be helpful. Please give me a call if you have any questions or would like to discuss anything in advance.

See you next Weds. at 2:30 at the Musicians Union!

Thanks!
Ron
